## Differentiators

“Small business. Big capabilities.”

The Ronco Federal team is staffed only with patriotic US citizens; each with more than 12 years of Federal experience, current manufacturer certifications, industry certifications (BICSI) and national certifications (PMP). Ronco’s organized approach to solutions delivers a complete, documented project that exceeds your expectations. Ronco has direct manufacturer support from Avaya, Extreme Networks and many other products. Ronco was recognized by Avaya in January 2018 as their Federal Partner of the Year for 2017.

## Corporate & Contact Data

Ronco is a private (family) owned Type S corporation with about 300 employees and 13 offices in the United States. Ronco can perform short term and long term projects in any of the 50 United States and Puerto Rico. Ronco is an authorized GSA contract vendor for Avaya and Extreme Networks.
